Dear Flemming,

I just wanted to say Thank You on behalf of myself and the team here at OLEHENRIKSEN for all of the work you did on our behalf to make our trip to Denmark such a success! Given the time frame with which you had to work, and the amount of people in our group, we understand that this was no small feat. We truly appreciate the attention you paid to even the smallest of details from the customs floral arrangements and beautifully printed menus, and Danish phrase books to the personalized assistance you and your team provided to our guests in helping them to move about Copenhagen and make the most of their trip.

Thank you again from the bottom of our hearts. I wish you much success in the future and look forward to working with you again!

Kind Regards,

Ole Henriksen
